FIND OUT HOW CLAIMING YOUR SOCIAL SECURITY BENEFITS AT THE RIGHT TIME COULD MEAN AN EXTRA \$100,000 OVER YOUR LIFETIME!

New laws and proposed changes to Social Security for 2021 and beyond have the potential to impact your benefits and quality of life during retirement. By keeping yourself informed, you can be sure to make the best decisions for your financial future.

For example, deciding when to claim your Social Security benefits could mean the difference of over \$100,000 in benefits in your lifetime. Unfortunately, however, many retirees and those nearing retirement don't fully understand how their benefits work and can end up missing out.

That's why local retirement specialist, Wesley Wood, is hosting an educational event to explain the basics of Social Security and to reveal strategies that can help to maximize the benefits available to you. **Wisely managing your Social Security retirement benefits starts with understanding the facts.**

DURING THIS ONE-HOUR EDUCATIONAL CLASS, YOU WILL LEARN:

- How the **New Administration's** policies could impact your retirement income
- How to help **Minimize the Amount of Taxes** you'll have to pay on your Social Security benefits
- How to help ensure you don't miss out on **Commonly Overlooked Benefits** for married couples and divorcees
- **Two Claiming Strategies** that could increase your total benefits
